Tax Relief

Did you realise that a monthly donation of $\notin 22$ or an annual donation of $\notin 250$ or more to Smock Alley Theatre is actually worth much more than that to us?

Irish tax legislation allows for tax relief for charities on donations greater than €250 in any tax year at the rate of tax that you would have paid. Typically a €250 donation is worth over €430 to a charity if they claim the tax relief.

All you have to do is fill out a CHY2 form (it's easy and takes about 5 mins) and post it back to us, and we will be able to claim back the tax you paid on the donation amount from the Revenue Commissioners.

You are of course under no obligation to fill in this form, but every year literally millions of euro in charity relief goes unclaimed. Wouldn't it be fantastic for projects like Smock Alley Theatre to benefit from hard earned tax euros at no extra cost to you?

You can download a CHY2 form here (link to form not working currently – form attached) And post it to Smock Alley Theatre Ltd Exchange Street Lower Temple Bar Dublin 8
